

## Exam Results 2021

At EGA, students are once again celebrating **outstanding** exam results. Students faced an unprecedented year but rose to the challenge. Our ethos of ensuring students achieve more than they ever believe possible is demonstrated by the **exceptional number of top grades** achieved and the fact students continue to perform well above national averages.

### Attainment 8

Schools receive a score based on how well pupils have performed in up to 8 qualifications.

**Attainment 8 = 55.1**

### Progress 8

In a normal year schools receive a score of how much progress their students make. This year, the Department for Education are not providing this information due to exams not taking place. Year on year students at EGA make excellent progress, well above the national average.

### English and Maths GCSEs

A grade 4 is called a standard pass and a grade 5 is called a strong pass.

**English and Maths at grade 4+ = 79%**

**English and Maths at grade 5+ = 52%**

### Top Grades

**38% of students achieved 3 or more grades at a Grade 7 or above**

**11 students achieved 5 or more grades at a Grade 9**

**No EGA student left without a qualification**
