

Promoting Positive Behaviour

At EGA we encourage students to be outstanding members of our community.

Students are expected to:

- Engage in lessons and take up enrichment appointments;
- Show outstanding commitment to learning - demonstrate a growth mindset;
- Speak kindly to all members of the school community;
- Follow the instructions of staff;
- Ensure the environment is looked after;
- Keep themselves, and others safe in school, online and beyond;
- Show outstanding commitment to community;
- Be on time for school and lessons;
- Move quietly around the school.

Staff will:

- Model expected behaviour and support all students to meet our expectations;
- Challenge where behaviour does not meet expectations.

If expectations are not met:

If a student is not meeting expectations then a member of staff will call you and talk about the situation and what changes are needed to show improvement.

Other sanctions can be used including short reflection conversations on the day. For longer reflection conversations or for completing missing homework, parents/carers will be alerted beforehand.

Our approach to conflict is restorative – students need to acknowledge how a situation arose, recognise their part and take responsibility for the resolution.

Any student who has any concerns about the behaviour of another person should seek support initially from the Tutor, Pastoral Manager, Head of Year or Child Protection Team. However, any member of staff will listen to a student and signpost support.
