

## EGA's First Student Conference

On **Monday 3rd December** Elizabeth Garrett Anderson School will be hosting its first student conference, the theme of which will be *'Belonging'*.

During the conference, we will look together to co-create solutions, ensuring our community continues to flourish, whilst acknowledging the very real challenges only too clear in wider society.

It is our mission that all students, regardless of starting point, are able to achieve without limits. This happens as a result of outstanding educational and enriching opportunities, but equally through students and staff from the widest of social, cultural, religious and economic backgrounds working together and learning alongside each other. We are stronger together; there is more that unites us than divide us.

This is at the heart of our school, and forms the basis of this conference and the exciting work that will follow.

The conference will run from **8.30am-12.30pm**. **School will not be open in the usual way on the day.** Any student can apply to be part of the conference and we encourage as many students as possible to submit an application.

If your daughter is not attending the conference, then there will be work on Show My Homework for her to do at home.

## GCSE Dance Trips to Sadler's Wells

GCSE dance students enjoyed two trips to Sadler's Wells last week. One to see a triple bill of work by Rambert 2 and Rambert dance company, including the iconic Ghost Danes by Christopher Bruce. Another to take part in a workshop with Rambert's rehearsal director on the main stage. Just another example of how our unique Associate School Partnership with Sadler's Wells continues to inspire and engage our students in all things dance!

## Humanities Corner

On Thursday 15 November, eight Year 7 students visited Woodberry Down Community Centre and Finsbury Park Edible Garden in order to learn how to plant, look after and harvest food trees. This is in preparation for the EGA orchard to be planted in December by these students. Look out for the fruits of their labour in the new year!
