

EXAM RESULTS : 2015

This year, once again, we have seen EGA girls achieve outstanding results at GCSE. The results of the 2015 cohort are the best ever results at EGA.

- ❖ 107 girls (70%) achieved 5 or more A*-C grades including English and Maths
- ❖ 80% achieved 5 or more A*-C grades
- ❖ 38% achieved the English Baccalaureate
- ❖ 50 girls achieved 3 or more A/A* grades

At EGA we follow a rigorous academic curriculum and these results are the qualifications required to study “A” levels and at university.

No girls left EGA without qualifications.
