

EXAM RESULTS : 2017

This year, once again, EGA students are celebrating record exam results. Students met the challenge of new, tougher, exams and results improved with an astonishing number of the top grades. The results of the 2017 cohort show we continue to provide the highest quality of education for our students.

In the new external measures we have:

Attainment 8 = 50.9

(This is the average points of the best 8 GCSE grades for all students)

English and Maths at grade 4+ = 78%

English and Maths at grade 5+ = 55%

(A grade 4 is called a pass and grade 5 is called a strong pass. Old GCSE grade C is considered to be the new grade 4 standard.)

No girls left EGA without qualifications.

Students achieved more highly than their achievement at primary would predict.

- ❖ 147 girls (92%) achieved grade 4+ in English literature
- ❖ 135 girls (83%) achieved grade 4+ in English language
- ❖ 126 girls (78%) achieved grade 4+ in Maths
- ❖ 31% achieved the English Baccalaureate (based on grade 5+)

(This means students passed English, Maths, two Sciences, a language and a humanities GCSE)

- ❖ 29% girls achieved 3 or more A/A* grades
- ❖ 14% girls achieved grade at least 1 grade 9 (the government target was 2%)

Well done to all.
