

## **Home Learning: Computer Science KS3**

### **Year 7 & 8**

1. Home learning tasks will be posted in Show My Homework (SMH).
2. Clear instructions will be given in SMH.
3. Tasks should be completed in SMH and all students should aim for 60% or better. This may require several attempts with a maximum of three.
4. Watch any tutorial videos before a home learning quiz is attempted.

### **KS3 Computer Science Website**

<https://sites.google.com/egas.islington.sch.uk/computerscienceks3/>

A selection of tutorial videos have already been uploaded, but the KS3 site is being developed. If a specific video is required for the completion of home learning, it will be stated in SMH.
