

## **Home Learning: Computer Science GCSE**

1. Home learning tasks will be posted in Show my Homework.
2. Where required, tasks of a practical nature (such as coding) can be uploaded in Google classroom. Photographic evidence can also be uploaded in the classroom. Clear instructions will be given in SMH and Google Classroom.
3. All students have already been given Topic 1 to 6 photocopied packs.
4. All students have exercise books for Topic 1, Topic 2, Topic 3 and Topic 4.
5. A comprehensive Computer Science website has already been developed for all GCSE students in the event of absences or unforeseen circumstances.
  - a. Video Tutorials
  - b. Subject Terminology
  - c. Exam Command Words
  - d. Past Papers

### **Computer Science Website**

<https://sites.google.com/egas.islington.sch.uk/computerscience/>

Google classroom, GMail and Show My Homework can be accessed directly from the Computer Science department's own website.
