

Home Learning: English KS3

1) Lessons

Your English teacher will set you work for your English lessons on the Google Classrooms for your class group. Please make sure you check this every day. If you haven't already, it's a good idea to download the Google Classroom app to your phone and turn the notifications for this app ON. These lessons will appear under the 'Classwork' tab.

2) Homework

- For Year 7 and 8, you will continue to have weekly reading homework on ShowMyHomework. This is due every Monday. Remember to keep up with this by checking and completing your quizzes.
- For Year 9, you will continue to have your weekly Educake homework until Easter. After the Easter break, you will have weekly Educake homework AND a weekly reading homework on ShowMyHomework. Both will be set on Mondays and you will have a week to complete them.

3) Staying in touch

We will use the Year group classrooms to post updates, announcements and give shout outs to girls who are doing amazing work.

Websites:

- EGA English Website (with links to lots of EGA resources!): <https://sites.google.com/egas.islington.sch.uk/egaenglish/home?pli=1&authuser=1>
