

Home Learning: English Year 10

1) Lessons

Your English teacher will set you work for your English lessons on the Google Classrooms for your class group. Please make sure you check this every day. If you haven't already, it's a good idea to download the Google Classroom app to your phone and turn the notifications for this app ON. These lessons will appear under the 'Classwork' tab.

2) Homework

You will continue to have weekly homework quizzes on Educake. These are set every Monday and are due the following Monday.

3) Staying in touch

We will use the Year group classrooms to post updates, announcements and give shout outs to girls who are doing amazing work.
