

Home Learning: Languages

You must log on to Show My Homework & Google Classroom to check assignments and resources set / uploaded for you by your teacher.

The following bullet points outline what you should be focusing on and prioritising in order to be ready for your French / Spanish GCSE examination.

- **Independent learning timetable** - You should have a weekly revision timetable with daily tasks to complete
- **Vocab Express and Seneca** - Vocab Express and / or Seneca assignments are set weekly. They must be fully completed by the due date. The amount of time you spend working on Vocab Express and Seneca will have a direct impact on your GCSE grade. You don't have to wait for an assignment to use Vocab Express – turn all the blocks green! If you're doing Higher, you should be doing the Higher tier vocabulary.
- **Revision guide CGP: GCSE AQA French / Spanish complete revision & practice for the grade 9-1 Exams.** You must work through your guide and complete the Quick tests at the end of each topic. Make notes and learn the vocabulary. Understand the tenses!
- **Use online resources:** Kerboodle / Memrise / Linguascope intermediate / Quizlet / Duolingo / Duolingo Stories – Podcasts / BBC Bitesize / Seneca AQA GCSE - Diagnostic Misconceptions / languagesonline.co.uk / SpanishDict / CoffeeBreak Languages.
- **TRACTOR books** – you should have a blue TRACTOR book that you fill out in class and you are also expected to add to this independently.
- **Watch Spanish/French TV shows** and films on Netflix or AmazonPrime. Watch your favourite films in English, then change the language to Spanish/French and watch them over and over again.
- **Listen to podcasts and songs in Spanish or French.**

Ask your family and friends to test you on vocab and tenses!
