

Home Learning: Media Studies GCSE

Media students should check their Google Classroom each day for the latest work. These Classrooms are already established and students know how to check for and submit work.

I will add assignments to Google Classrooms to cover Sitcoms and Taylor Swift/Bruno Mars study material.

Google Classroom has a PDF of their Revision Booklet so this can be accessed either electronically or in hard copy.

Students also have a hardcopy of their **Media Studies Exam Revision Guide**. This has plenty of activities including practice questions. These can be submitted for marking electronically if students wish to type their responses.

I will be available to answer questions on Google Classroom and email. This communication has already been established.
