

Angel Islington Teaching School Alliance

Working so every student achieves their best regardless of starting point or background.

Issue 2: December 2018

A huge thank you to everyone for all their contributions this term. The courses have now all started and feedback is positive.

Wishing everyone a well earned rest.

Tina and Jeff

EGA “Belonging” Student Conference

Monday 3rd December was a truly inspirational day for students from EGA and guest students from Holloway, Mulberry, Sarah Bonnell and Copenhagen schools.

The key messages are:

“Education makes a difference”

“Work hard, not for yourself, but for those who come after you- Take your education back into your community and make a difference”

Trainees

Well done to all our Primary apprentices and School Direct (Tuition Fee) trainees who have completed their first term.

Recruitment is now open for the 2019/2020 cohort. Courses are available for Primary and Secondary English, Maths, Science, Modern Languages and Geography.

Following the successful primary apprenticeships this year, we are looking to recruit secondary apprenticeships for 2019/20. A separate summary has been circulated to Headteachers.

If you know anyone who wants to train to be a teacher, direct them to this link:

2019

When will all teachers become expert Teachers? The challenge to all colleagues...

- ◆ What can you do?
- ◆ How can we help you?

Working so every student achieves their best regardless of starting point or background.

Research

Some really useful research tools can be found on our TSA linked in page including:

- ◆ Education Endowment Foundation (EEF) Find out how to work with parents to support their children's learning with the new EEF guidance report.
- ◆ Improving Maths at KS2 & KS3:
- ◆ Links to the best recent publications from EEF, TES, Teacher toolkit, Anna Freud Foundation, Education executive magazine, as well other sources of information we spot and like. All of which provide a range of ideas, and practical strategies, for teachers and leaders in education.

Other Information

Please get in touch if you have anything you would like to share in our next newsletter!

TSA Courses Spring Term 2019
