

The story of Austin's butterfly

Watch the video on the next slide then
discuss the questions that follow

What does Austin's butterfly tell us about the power of a growth mindset?

Were you surprised by what a Grade 1 (Year 2) child could achieve?

What did you learn about the power of feedback?

How can peers support each other with learning?

Why is important to be kind and specific?

Can you apply these ideas to how we can improve our community?
