

THOUGHT FOR THE WEEK

LGBT History Month

IDENTITY

What forms your identity?

Talk with your partner about some of the words you use to describe yourself.

- Girl?
- Londoner?
- Glasses-wearer?
- Year 7?

IDENTITY

How would you feel if your friends excluded you based on one of these things?

How would you feel if the school was not allowed to speak to you about one of these things?

LGBT HISTORY MONTH

February is **LGBT (Lesbian, Gay, Bisexual, Transgender) History Month**.

For much of history, LGBT people have suffered from being excluded and attacked because of who they are.

For a long time, schools were not able to talk about LGBT bullying because of Section 28.

LGBT HISTORY MONTH

How do you think the school should react if someone is left out or bullied for being LGBT?

How can you help support LGBT students this month?
